Renewable Connections invites you to a public exhibition to meet the project team and find out more about our proposed 89MW solar farm and 40MW BESS project at Sealand, Flintshire. If consented, the solar farm could supply enough power for up to 33,575 homes, making a valuable contribution towards tackling the climate emergency in Flintshire.

Our informal consultation period runs from **the 14 March to the 21 April 2025.**

You can also get in touch, find out more information and leave feedback at our project website sealandmanorsolarfarm.co.uk

If you are unable to access the information online or join us at the exhibitions, you can request digital or paper copies by calling **0800 254 5011** or emailing us at sealandmanorsolarfarm@renewableconnections.co.uk
